PROTEIN DATA BANK
FAST. FLEXIBLE. FREE.
GROMACS

Amber24

AmberTools25

Action Space

Get protein and/or ligand pdb files
Protonate protein and/or ligand
Capp protein

Generate force field parameters:
Protein: amber ff14sb
Ligand: amber GAFF2

Solvate, neutralise system
Energy minimisation & equilibration

Production run

Generate, fetch, validate input files
Prepare simulation workflow
Orchestrate & submit jobs
! Error handling
Parse, debug and edit files

Outputs
